

A new Technical Sales Representative for LIFTEUROP

Wiltz, March 23, 2023.

Sergio Morais Fernandes joins LIFTEUROP (ALIPA Group), the Luxembourgish manufacturer of lifting accessories, as a Technical Sales Representative.

Sergio has a Master's degree in International Management from Eufom (European University for Economics and Management) and has a long professional experience in sales and logistics. As a member of the LIFTEUROP team, Sergio's main task is to develop the sale of lifting accessories in the entire DACH region. His language skills (French, English, German, Luxembourgish, Portuguese and Dutch) enable him to understand the customers' needs and to

find the best solution for them.

Self-confidence, curiosity, linguistic skills and empathy are, for Sergio, the essential qualities to do his job within the sales department of LIFTEUROP. The interaction with customers and colleagues, the industry sector and the international presence of the company are also elements that Sergio likes in his daily work. Outside of work, Sergio enjoys traveling and spending time with his children.
